The India Gate Restaurant at the Nutgrove Shopping Centre has been continuously serving only the finest of Indian cuisine for the past 12 years and is rated as one of the best Indian restaurant by food critics in terms of value, comfort and satisfaction.

Using only the finest ingredients by its award winning Head Chef, The India Gate Restaurant prides itself using only the best of Chicken and Lamb in all its preparations.

Prawns are directly imported from Coastal India and we use only low cholesterol sunflower oil, except for the creamy dishes where fresh cream and butter are used. The alchemy imparted by the chefs with the fact that most of the spices come directly from India explains why every meal is simply so superb.
